---

An international paper goods design and manufacturing company, KOOLTOOL specializes in creating top-quality stationary items, promotional customized gifts and marketing tools.

We have become a recognized leader in the industry since we first went into business twenty-five years ago and we are proud that only the highest quality materials enter in our hand assembly process.

Artistic by nature we strive to inspire positivity, motivation, confidence and humor through our unique creations.

We offer a wide range of products, including notebooks, notepads, decorative signs, mirrors, coasters and much, much more.
